ISDA 2019 NTCE PROTOCOL

published on August 27, 2019

by the International Swaps and Derivatives Association, Inc.

The International Swaps and Derivatives Association, Inc. (**ISDA**) has published this ISDA 2019 NTCE Protocol (this **Protocol**) to enable parties to Protocol Covered Transactions and/or Protocol Covered Agreements to amend the terms of such Protocol Covered Transactions and Protocol Covered Agreements.

Accordingly, a party that has entered and/or anticipates entering into a Protocol Covered Transaction or a Protocol Covered Agreement may adhere to this Protocol and be bound by its terms by completing and delivering a letter substantially in the form of Exhibit 1 to this Protocol (an **Adherence Letter**) to ISDA, as agent, as described below.

1. Adherence to and Effectiveness of this Protocol

- (a) By adhering to this Protocol in the manner set forth in this paragraph 1, a party (an **Adhering Party**) that wishes to amend the terms of a Protocol Covered Transaction or a Protocol Covered Agreement, in each case on the terms and subject to the conditions set forth in this Protocol and the relevant Adherence Letter, agrees that the terms of each Protocol Covered Transaction and Protocol Covered Agreement, if any, between it and each other Adhering Party will be amended with effect from the Amendment Effective Date in accordance with the terms of Schedule 1 (*Amendments*) hereto.
- (b) Adherence to this Protocol will be evidenced by the execution and online delivery, in accordance with this paragraph, to ISDA, as agent, of an Adherence Letter (in accordance with subparagraphs 1(b)(i), (ii) and (iii) below) at any time during the period from and including the date of publication of this Protocol to and including 5:00 p.m., New York time, on October 14, 2019 or such later date determined as set out below (in either case, the **Cut-off Time** and the **Cut-off Date**, respectively) or on any day during the Subsequent Adherence Period (if any) determined in accordance with paragraph 1(i) below. ISDA may designate a date later than October 14, 2019 as the Cut-off Date by notice published no later than noon, New York time, on October 11, 2019 on its website at www.isda.org (or by other suitable means) if it determines in its absolute discretion that market interest justifies such an extension to the adherence period. In addition, the Cut-off Date may be extended in accordance with paragraph 1(h) below. ISDA will not accept any Adherence Letters to this Protocol received after the Cut-off Time on the Cut-off Date, subject to the designation of a Subsequent Adherence Period pursuant to paragraph 1(i) below.
 - (i) Each Adhering Party will access the Protocol section of the ISDA website at www.isda.org to enter information online that is required to generate its form of Adherence Letter and to submit payment of any applicable fee. Either by directly downloading the populated Adherence Letter from the Protocol system or upon receipt via e-mail of the populated Adherence Letter, each Adhering Party will print, sign and upload the signed Adherence Letter as a PDF (portable document format)

attachment into the Protocol system. Once the signed Adherence Letter has been approved and accepted by ISDA, the Adhering Party will receive an e-mail confirmation of the Adhering Party's adherence to this Protocol;

- (ii) a conformed copy of each Adherence Letter containing, in place of each signature, the printed or typewritten name of each signatory will be published by ISDA so that it may be viewed by all Adhering Parties. Each Adhering Party agrees that, for evidentiary purposes, a conformed copy of an Adherence Letter certified by the General Counsel (or other appropriate officer) of ISDA will be deemed to be an original; and
 - (iii) each Adhering Party agrees that the determination of the date and time of acceptance of any Adherence Letter will be determined by ISDA in its absolute discretion.
- (c) As between any two Adhering Parties, the agreement to make the amendments contemplated by this Protocol, on the terms and subject to the conditions set forth in this Protocol, will be effective on the date, if any, that the Protocol Effectiveness Condition is satisfied (or, if either Adhering Party adheres during a Subsequent Adherence Period, on the date of acceptance by ISDA, as agent, of an Adherence Letter (in accordance with paragraph 1(b) above) from the later of such two Adhering Parties to adhere). Any such amendments will, if the Protocol Effectiveness Condition is satisfied, apply to each Protocol Covered Transaction and/or Protocol Covered Agreement between the Adhering Parties (whether entered into before, on or after the Cut-off Date) with effect from the Amendment Effective Date.
- (d) The Adhering Parties further agree that if the Protocol Effectiveness Condition is satisfied, any Protocol Covered Agreement between them shall be amended by this Protocol as set forth in Schedule 1 (*Amendments*) hereto (in addition to the amendments made to Protocol Covered Transactions documented thereunder) with effect from the Amendment Effective Date. Notwithstanding the foregoing, such amendments (including the amendments specified in paragraph 1(c) above) shall not be made to any Party Agreed Excluded Transaction, and the remainder of this Protocol shall be construed accordingly.
- (e) This Protocol is intended for use without negotiation, but without prejudice to any amendment, modification or waiver in respect of a Protocol Covered Transaction or Protocol Covered Agreement that the parties may otherwise effect in accordance with the terms of that Protocol Covered Transaction or Protocol Covered Agreement, as applicable, and the Governing Master Agreement.
 - (i) In adhering to this Protocol, an Adhering Party may not specify additional provisions, conditions or limitations in its Adherence Letter; and
 - (ii) Any purported adherence that ISDA, as agent, determines in good faith is not in compliance with this Protocol will be void and ISDA will inform the relevant party of such fact as soon as reasonably possible after making such determination.
- (f)
 - (i) An Adhering Party that adheres prior to the Cut-off Time on the Cut-off Date may deliver to ISDA, as agent, a notice substantially in the form of Exhibit 2 to the Protocol (a **Revocation Notice**, and such a party, for these purposes, a **Revoking Party**). Any Revocation Notice must be in writing and delivered as a PDF (portable document format) attachment to an email to ISDA at ProtocolManagement@isda.org prior to the Cut-off Time on the Cut-off Date. Such a Revocation Notice will be

deemed effectively delivered on the date it is delivered unless such date is not an ISDA NY Business Day or that communication is delivered after 5:00 p.m., New York time, in which case that communication will be deemed effectively delivered on the next ISDA NY Business Day. Once the signed Revocation Notice has been approved and accepted by ISDA, such Revoking Party will receive an e-mail confirmation of such revocation;

- (ii) a conformed copy of each Revocation Notice containing, in place of each signature, the printed or typewritten name of each signatory will be published by ISDA so that it may be viewed by all Adhering Parties. Each Revoking Party agrees that, for evidentiary purposes, a conformed copy of a Revocation Notice certified by the General Counsel (or other appropriate officer) of ISDA will be deemed to be an original;
 - (iii) each Revoking Party agrees that the determination of the date and time of acceptance of any Revocation Notice will be determined by ISDA in its absolute discretion;
 - (iv) each Revoking Party acknowledges and agrees that any fee paid in respect of the Adherence Letter shall not be reimbursed to them; and
 - (v) a Revoking Party may only submit a subsequent Adherence Letter on or prior to 5:00 p.m. (New York time) on the Cut-off Date (without regard to any extension of the Cut-off Date pursuant to paragraph 1(h) below) or in a Subsequent Adherence Period.
- (g) Upon the acceptance by ISDA, as agent, of a Revocation Notice in accordance with this Protocol, the prior Adherence Letter of the relevant Revoking Party shall be deemed not delivered and such party shall cease to be an Adhering Party (subject to the subsequent delivery of a new Adherence Letter in accordance with the terms of this Protocol). Any purported revocation that ISDA, as agent, determines in good faith is not in compliance with this Protocol will be void and ISDA will inform the relevant party of such fact as soon as reasonably possible after making such determination.
- (h) If at any time prior to the Cut-off Date, an Adhering Party effectively delivers a Revocation Notice as described in subparagraph 1(f)(i) above:
- (i) ISDA, as agent, will promptly publish a notice on its website at www.isda.org (or give notice to Adhering Parties by other suitable means) stating that such Adhering Party has delivered a Revocation Notice; and
 - (ii) if an Adhering Party effectively delivers a Revocation Notice to ISDA at any time after 5:00 p.m. (New York time) on the ISDA NY Business Day immediately prior to the Cut-off Date, the Cut-off Time and Cut-off Date shall be deemed extended until 5:00 p.m. (New York time) on the ISDA NY Business Day immediately following that Cut-off Date, unless it is no longer possible for the Protocol Effectiveness Condition to be satisfied, in which case the Cut-off Date shall not be further extended.

The application of this paragraph 1(h) may be repeated in respect of any such extended Cut-off Date.

- (i) If ISDA determines in its absolute discretion that market interest justifies reopening adherence to this Protocol, ISDA may designate the first and final date of a subsequent adherence period (a **Subsequent Adherence Period**) by giving no less than two ISDA NY

Business Days' notice on its website at www.isda.org (or by other suitable means), provided that in no event shall the final day of the Subsequent Adherence Period be later than September 30, 2020. If adherence is reopened:

- (i) each Adherence Letter effectively delivered on any day during the Subsequent Adherence Period in accordance with the terms of this Protocol shall be deemed to have been effectively delivered;
 - (ii) unless otherwise specified herein, all references herein to the Implementation Date shall be deemed to be references to the Subsequent Implementation Date in relation to the Subsequent Adherence Period and any Credit Derivative Transaction or master confirmation agreement or other documentation which becomes a Protocol Covered Transaction or Protocol Covered Agreement by virtue of the adherence by one or more of the parties thereto during the Subsequent Adherence Period;
 - (iii) each Adhering Party that adheres during the Subsequent Adherence Period acknowledges and agrees that such adherence to this Protocol is irrevocable;
 - (iv) each Adhering Party as of the Cut-off Time on the Cut-off Date in respect of the initial adherence period shall continue to be an Adhering Party for purposes of the Subsequent Adherence Period without such Adhering Party being required to deliver an Adherence Letter during the Subsequent Adherence Period;
 - (v) no Subsequent Adherence Period shall occur unless each of the Protocol Effectiveness Condition and the CCP Condition were satisfied in respect of the initial adherence period; and
 - (vi) there shall be no Protocol Effectiveness Condition or CCP Condition during the Subsequent Adherence Period.
- (j) (i) Notwithstanding the above, if the CCP Condition is not satisfied on or prior to the fifth ISDA NY Business Day prior to the scheduled Implementation Date then, after consultation with the ISDA Credit Steering Committee, ISDA will, by giving notice on its website at www.isda.org (or by other suitable means), either:
- (A) delay the Implementation Date until such later date that ISDA determines; or
 - (B) (I) open a revocation period of five ISDA NY Business Days commencing on the ISDA NY Business Day after the date that ISDA gives the relevant notice (the **CCP Revocation Period**) and (II) delay the Implementation Date until such later date falling after the end of the CCP Revocation Period that ISDA determines.
- (ii) During the CCP Revocation Period, an Adhering Party may deliver a Revocation Notice to ISDA in accordance with sub-paragraphs (f) to (h) above provided that for this purpose:
- (A) the references in such sub-paragraphs to the Cut-off Time and Cut-off Date should be read as references to 5:00 p.m. New York time on the last ISDA NY Business Day of the CCP Revocation Period respectively; and
 - (B) sub-paragraph (h)(ii) is replaced with the following:
“if an Adhering Party effectively delivers a Revocation Notice to ISDA at

any time after 5:00 p.m. (New York time) on the ISDA NY Business Day immediately prior to the last ISDA NY Business Day of the CCP Revocation Period, the Cut-off time in respect of the CCP Revocation Period shall be deemed extended until 5:00 p.m. (New York time) on the ISDA NY Business Day immediately following the last ISDA NY Business Day of the CCP Revocation Period, unless, following Revocation Notices being delivered to ISDA, less than six Reference Banks are Adhering Parties at such time, in which case the CCP Revocation Period will not be extended.”

- (iii) If ISDA determines that due to Revocation Notices less than six Reference Banks are Adhering Parties at the end of the CCP Revocation Period then ISDA shall publish a notice on its website at www.isda.org (or by other suitable means) and notwithstanding the other provisions of this this Protocol, the agreement to make the amendments contemplated by this Protocol, on the terms and subject to the conditions set forth in this Protocol, will cease to be effective and no such amendments will apply to any Protocol Covered Transaction and/or Protocol Covered Agreement (and in relation to a Covered Swaption Transaction, no such amendments will apply to the Underlying CDS).

The application of this paragraph 1(j) will be repeated in respect of any such extended Implementation Date.

2. Representations and Agreements

- (a) Each Adhering Party makes the following representations to each other Adhering Party with which it has entered into a Protocol Covered Transaction or Protocol Covered Agreement on the date that the Protocol Effectiveness Condition is satisfied (provided that for any Adhering Party adhering during the Subsequent Adherence Period, such representations will be made as of the date on which such Adhering Party adheres to this Protocol).
 - (i) **Status.** It is, if relevant, duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing or, if it otherwise represents its status in or pursuant to the Governing Master Agreement, has such status;

 - (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
 - (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to the Adherence Letter and the Governing Master Agreement, in each case as amended by the Adherence Letter and this Protocol, have been obtained and are in full force and effect and all conditions of any such consents have been complied with;

- (v) ***Obligations Binding.*** Its obligations under the Adherence Letter and the Governing Master Agreement, as amended by the Adherence Letter, and this Protocol, constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)); and
 - (vi) ***Credit Support.*** Its adherence to this Protocol and any amendment contemplated by this Protocol will not, in and of itself, adversely affect the enforceability, effectiveness or validity of any obligations owed, whether by it or by any third party, under any Third Party Credit Support Document in respect of its obligations relating to the Governing Master Agreement.
- (b) Each Adhering Party agrees with each other Adhering Party with which it has entered or anticipates entering into a Governing Master Agreement that each of the foregoing representations will be deemed to be a representation for purposes of Section 5(a)(iv) of each such Governing Master Agreement that is an ISDA Master Agreement (or, in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement) entered into prior to the Amendment Effective Date between them.
- (c) ***Representation and Undertaking in respect of a Protocol Covered Transaction or Protocol Covered Agreement subject to Third Party Credit Support Documents.*** With respect to a Protocol Covered Transaction or Protocol Covered Agreement subject to Third Party Credit Support Documents that expressly require the consent, approval, agreement, authorization or other action of a Third Party to be obtained, each Adhering Party whose obligations under such arrangements are secured, guaranteed or otherwise supported by such Third Party represents to each other Adhering Party with which it has entered into such arrangements that it has obtained the consent (including by way of paragraph 2(d) below), approval, agreement, authorization or other action of such Third Party and undertakes that it will, upon demand, deliver evidence of such consent, approval, agreement, authorization or other action to such other Adhering Party.
- (d) ***Deemed Third Party Consent.*** Each Adhering Party which is also a Third Party in relation to a Third Party Credit Support Document is hereby deemed to have consented to the amendments imposed by this Protocol on all Protocol Covered Transactions and Protocol Covered Agreements which are covered by such Third Party Credit Support Document.

3. Miscellaneous

- (a) ***Entire Agreement; Restatement; Survival.***
 - (i) This Protocol constitutes the entire agreement and understanding of the Adhering Parties with respect to its subject matter and supersedes all oral communication and prior writings (except as otherwise provided herein) with respect thereto. Each Adhering Party acknowledges that in adhering to this Protocol it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to elsewhere in this Protocol or in Schedule 1 (*Amendments*) hereto) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Protocol will limit or exclude any liability

of an Adhering Party for fraud; and

- (ii) except for any amendment deemed to be made pursuant to this Protocol in respect of any Protocol Covered Transaction or Protocol Covered Agreement, all terms and conditions of each Protocol Covered Transaction and Protocol Covered Agreement will continue in full force and effect in accordance with the provisions of its Confirmation as in effect immediately prior to the Amendment Effective Date. Except as explicitly stated in this Protocol, nothing herein shall constitute a waiver or release of any rights of any Adhering Party under the Documentation for the Protocol Covered Transaction or Protocol Covered Agreement, as applicable. This Protocol will, with respect to its subject matter, survive, and any amendments deemed to be made pursuant to this Protocol will form a part of, each Protocol Covered Transaction and Protocol Covered Agreement between the Adhering Parties notwithstanding Section 9(a) (or in the case of an ISDA Master Agreement that is a 1992 ISDA Master Agreement (Local Currency – Single Jurisdiction), Section 8(a)) of the Governing Master Agreement (or in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement).
- (b) **Amendments.** As between two Adhering Parties, an amendment, modification or waiver in respect of the matters contemplated by this Protocol will only be effective if made in accordance with the terms of the relevant Governing Master Agreement and then only with effect between the parties to the Governing Master Agreement (and in the case of a Protocol Covered Transaction or a Protocol Covered Agreement, will only be effective to amend or override the provisions contained in paragraph 1 of this Protocol and Schedule 1 (*Amendments*) hereto if it expressly refers in writing to this paragraph 3(b) of this Protocol and would otherwise be effective in accordance with Section 9(b) (or in the case of an ISDA Master Agreement that is a 1992 ISDA Master Agreement (Local Currency – Single Jurisdiction), Section 8(b)) of the Governing Master Agreement (or in the case of a Governing Master Agreement that is not an ISDA Master Agreement, any analogous provision in such Governing Master Agreement)).
- (c) **Headings.** The headings used in this Protocol and any Adherence Letter are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Protocol, any Adherence Letter or any Revocation Notice.
- (d) **Governing Law.** This Protocol and each Adherence Letter will, as between two Adhering Parties, be governed by and construed in accordance with the laws of the State of New York, without reference to choice of law doctrine, provided that the amendments to each Protocol Covered Transaction and Protocol Covered Agreement shall be governed by and construed in accordance with the law specified to govern that Protocol Covered Transaction or Protocol Covered Agreement, as applicable, and otherwise in accordance with the applicable choice of law doctrine.

(e) ***Party Agreed Exclusions.***

- (i) Adhering Parties may agree by separate bilateral agreement(s) (including, for the avoidance of doubt, in the relevant Confirmation(s)) that one or more specified Credit Derivative Transactions entered into between them shall not be Protocol Covered Transactions for purposes of this Protocol (each such Credit Derivative Transaction, a **Party Agreed Excluded Transaction**); and
- (ii) Adhering Parties may agree by separate bilateral agreement(s) that one or more specified Covered MCAs entered into between them shall not be Protocol Covered Agreements for purposes of this Protocol (each such Covered MCA, a **Party Agreed Excluded MCA**). Any Credit Derivative Transaction documented under a Party Agreed Excluded MCA shall be deemed to be a Party Agreed Excluded Transaction until otherwise agreed by separate bilateral agreement.

(f) ***Ability of an Agent to Adhere to this Protocol on Behalf of a Client and to Revoke such Adherence.***

- (i) An Agent may adhere to this Protocol:
 - (A) on behalf of all Clients represented by such Agent (in which case such Agent need not identify each Client in its Adherence Letter) as of the Implementation Date;
 - (B) on behalf of Clients represented by such Agent that are specifically named or identified in the Adherence Letter or an attachment thereto; or
 - (C) on behalf of all Clients represented by such Agent as of the Implementation Date, except any Client that the Agent and an Adhering Party that has entered into a Protocol Covered Transaction or Protocol Covered Agreement with such Client agree bilaterally will not be covered by this Protocol,

provided, in each case, that such adherence shall only be effective with respect to Protocol Covered Transactions and Protocol Covered Agreements entered into by such Agent on behalf of such Clients;

- (ii) where an Agent adheres to this Protocol on behalf of a Client by executing and delivering an Adherence Letter on behalf of such Client in accordance with paragraph 1 and this paragraph 3(f), references to the Adhering Party for purposes of this Protocol and Schedule 1 (*Amendments*) hereto and the Adherence Letter shall be interpreted to refer to such Client; and
- (iii) where an Agent has adhered to this Protocol on behalf of one or more Clients by delivering an Adherence Letter on behalf of such Client(s) in accordance with paragraph 1 and this paragraph 3(f), the Agent may revoke such adherence by delivery of a Revocation Notice in accordance with paragraph 1 and references to the Adhering Party for the purposes of this Protocol (including in Schedule 1 (*Amendments*) hereto) and the Revocation Notice shall be interpreted to refer to each such Client. A Revocation Notice delivered by an Agent (other than on its own behalf) must relate to all Clients that became Adhering Parties pursuant to the delivery of the related Adherence Letter and not some only.

- (g) ***Ability of the Relevant Credit Derivatives Determinations Committee to Interpret or Amend Protocol Terms.*** Each Adhering Party agrees and acknowledges that if the relevant Credit Derivatives Determinations Committee Resolves pursuant to the DC Rules:
- (i) a question of interpretation regarding the provisions of this Protocol (including, without limitation, the definition of Protocol Covered Transaction or Protocol Covered Agreement and any of the amendments contemplated by Schedule 1 (*Amendments*) hereto), such Resolution shall be binding on each Adhering Party; and
 - (ii) to amend the provisions of Schedule 1 (*Amendments*) hereto in order to correct errors or otherwise give effect to the purpose of the 2019 NTCE Supplement and this Protocol in respect of any Protocol Covered Transaction or Protocol Covered Agreement, each such amendment shall be deemed to take effect in the manner prescribed by the relevant Credit Derivatives Determinations Committee.

If you are an Agent and act on behalf of multiple Clients, you may sign the Adherence Letter using one of the options below.

First, if you have the authority to adhere to this Protocol as Agent on behalf of all Clients as of the Implementation Date, you may indicate the following in the signature block: “acting on behalf of the funds, accounts or other principals listed in the relevant Governing Master Agreement (or other agreement which deems a Governing Master Agreement to have been created) between it (as agent) and another Adhering Party” or such other language that indicates the Clients to which this letter is applicable. If such a signature block is used, a separate Adherence Letter for each Client does *not* need to be submitted to ISDA and no specific names of Clients will be publicly disclosed on the ISDA website in connection with this Protocol.

Second, if you have the authority to adhere to this Protocol as Agent on behalf of certain Clients only, you may indicate the following in the signature block: “acting on behalf of the funds, accounts or other principals listed in the appendix to this Adherence Letter in relation to the relevant Governing Master Agreement (or other agreement which deems a Governing Master Agreement to have been created) between it (as agent) on behalf of such fund, account or other principal and another Adhering Party” and include with the Adherence Letter an attachment that names each Client. If you cannot or do not wish to name such Clients, then provided that you can identify the adhering Clients by way of specific identifiers which will be known and recognized by all other Adhering Parties with which the relevant Clients have entered into Protocol Covered Transactions/Protocol Covered Agreements, you may identify such Clients using specific identifiers and without including any names. In such case, the specific identifiers will be listed on the ISDA website with the Adherence Letter. If you are able to do so, you may, if you wish, identify Clients by using both names and specific identifiers but this is optional and, provided you supply at least either names or specific identifiers, choosing not to provide both does not affect the legal validity and binding nature of this Protocol.

Note also that an Agent can adhere on its own behalf by completing a separate Adherence Letter.
